W. S. Millar, of the Central Republican cinb, stamps as a gross error the statment appearing in a Sunday paper that a Dem-cratic caucus of the select council used the Central Republican rooms for meeting purposes Saturday night.

George Miller, who was arrested Sunday for the theft of a bicycle from Robert White, of Green Ridge, which he pawned for \$0, was yesterday committed to await the action of the grand jury by Alderman Wright in default of \$300 bail.

Miss Bessie White, the domestic who left a note at W. D. Kennedy's 1717 Washing-ton avenue, saying her body would be found in the river, has not been located, and the police think possibly the woman had no intention of destroying herself. At the regular mouthly meeting of the

Central Republican club held last night at the new rooms in the Price building, the following officers were nominated to serve during the coming year: E. P. Kingsbury, president; Major Everett Warren, vice president; W. S. Millar, secretary; W. jaylord Thomas, tressurer. The election will be held the second Monday in April, the next regular meeting. ### HIGH SCHOOL FIRE PROOF

The Board Decides That It Shall Be Erected in That Manner-It Will Mean Decreased Insurance and Greater Safety - Communication from the Board of Health Regarding No. 12-Pay Roll for February.

Fresident C. H. Von Storch announced his committees at last night's meeting of the board of control. The position of honor is given to F. L. Wormer, who was named chairman of the teachers' committee. He filled that position before with great satisfaction. The

list of committees is: Teachers—F. L. Wormser, W. S. Lang-staff, John Devannay, George Mitchell, J. P. Maboo, F. S. Barker, H. J. O'Malley. Building—George B. Carson, T. J. Jen-nings, W. J. Welsh, C. S. Jacobs, W. G. O'Malley.

J. A. Evans.
Rules—T. J. Jennings, J. H. Williams,
High School—W. J. Welsh.

The high school committee was di rected to elect its own chairmin. Mr. Wormser made a plea in favor of having the new high school building made fireproof. He said it would increase the cost of the building from 25 to 30 per cent, but that in his opinion the amount would be saved by the district in decreased insurance. Making the building fire proof would also increase

its safety, he said. BUILDING WILL BE FIRE PROOF. Mr. Wormser followed his remarks up with a motion directing that the building be made fire proof. It was unanimously adopted. On motion of Mr. Schreifer the building committee was directed to put a small iron fence in front of No 86 building to protect

A communication from the board of health called attention to what was termed "the abominable condition of old No. 12 building" on Emmet street in the Eighteenth ward. It was placed on file and the suggestion of the boart that nereafter but one session be held daily in that building was ordered complied with. The list of delinquent tax collectors appointed by City Treasnrer R. G. Brooks was read and the appointment of those whose bonds had been approved, confirmed. The collectors are the same as those who were appointed to collect delinquent city

Solicitor Knapp notified the board that the title of Thomas J Morgan to the property adjoining No. 25 school had been perfected and that he was ready to make over to the school district a strip of land fifteen feet wide, which it was thought advisable to purchase for the district, upon the payment of \$500. The solicitor was directed to have the transfer made if it is found hat the taxes have been paid on the

property.
THE BILLS APPROVED. An order was directed to issue to Contractor Conrad Schroeder for \$4. 365, the second payment on new No. 12 All public night schools of the city will closed Thursday night. A number that have completed the four

months have already closed. The pay roll for the month of Feb ruary was read and ordered paid. The amounts are as follows: Day schools teachers, \$10,761.77; substitutes,\$1,165. 0; total, \$12,088.44; night schools, teachers, \$927; substitutes, \$2.80; janitors, \$129; total, \$1,053.90.

### Y. M. C. A. ATHLETICS

Notes of What the Gladistors of the Gymnasism Ara Doing.

The trip to Wilkes-Barre of an all-around team of six men to compete in the Young Meo's Christian association games in that city has been abandoned. The contests, which were announced as open to all Young Men's Christian association athletes of the state, have been restricted to only local men.

Louis Conrad has presented a white sweater as a prize to the winner of the potato race in Thursday night's allaround contest. The prizes are on exhibition in Stewart's window, Young Men's Christian Association building. Members will be admitted free to the contest; non-members will be charged 10 cents admission.

The base ball team will begin practice work this week. A number of valuable additions to the team have been made: Thomas Brooks, one of the old ime pitchers, will probably be located n the box this season; F. White and E.1. Littenbender will also add strength to the team.

Flash light photographs were taken last night by Physical Instructor Weston of many prominent athletes while in the act of pole vaulting, jumping.

### FRUIT VENDERS ARRESTED.

Must Have License to Sell Their Wares From Push-Carts.

Eight push-ourt fruit venders, six Italians and two Greeks, were arrested on lower Lackawanna avenue yesterday afternoon for selling their wares without license. The Italians were employed by Joseph Longo, 240 Ray mond court, who paid their fine of \$5 each. A friend of the Greeks paid the

same fine for them. The round-up was conducted by Sergeant Davies and Officers Johler and lones. The raid is the echo of an ordinance passed last January directing the chief of police to abute the nuisance. Complaints have been made to the mayor by proprietors of fruit houses that the yeaders were doing business without license and interfering with

The passage of the arrested crowl enroute to the police station created a great deal of interest and amusement. To do business hereafter they will pay a license of \$10.

### HIS LAMBS KILLED BY DOGS.

E. J. Chapman Wants the School District to Pay for Them.

E J. Chapman, a South Abington stock farmer and butcher, yesterday applied to the court for a writ of manlamus to compel the officers and mem bers of the South Abington school board to give reason why they soould not pay him \$16 for four lambs owned by him, which were killed by dogs.

The court granted a writ of alternative mandamus directed against Asa Nichols, president; W. P. Lilly, secra-tary; Wilding Swallow, tressurer, and

## bers of the board, and made it returns-

It is alleged that the board refuses to pay for the lambs on account of a de-fect in the certificate with regard to the matter received from the auditors of the district, who are charged by law with the investigation of all claims arising from the killing of sheep by dogs. Mr. Chapman is represented by Attorneys Hulslander & Vosburg.

BARRY IN THE RISING GENERATION A Large Audience Well Pleased With

That Clever Play. William Barry was greeted by s large audience at the Academy last night as he deserved to be. His previous appearance here had awakened theatre-goers to the merits of "The Rising Generation" and they turned out in force.

William Barry has long figured on the stage as an Irish comedian, but it remain for his "Martin McShayne" in 'The Rising Generation" to develop his best talents. By his rich brogue, quaint mannerisms and perfectly natural bearing, he charmed a large audience last night, and the laughter scarcely

ceased while he was on the stage.

Miss Annie Mack-Berlin invested the role of Miss McShayne with an unctuous humor scarcely excelled by that of Mr. Barry. A game of poker, which is cleverly introduced into the play, created no end of merriment.

### DOINGS OF the Military

The non-commissioned officers' school last Thursday was well attended. The interest taken and the general intelligence displaye ! surp issed all previous chools. These schools prove to be of great advantige to non-commissioned officers, and cannot help but redound to the general good of the entire ragi-There is not to lay in the Naional Guard Pennsylvania a regiment that can boast of a more intelligent and better posted non-commisioned corps than the Thirteenth regiment contains. The Thirteenth owes its success today more to its intelligent non-commissioned officers than to any one other factor. The non-commissioned officer is a very important factor in the general efficiency of a regiment It is a fact beyond all disputs that any and all regiments are successful or unsuccessful just as their non-commisioned officers may be intelligent and bright or un-intelligent and dull.

Adjutant Millar, accompanied by Sergeant Major Conkling, went to Honesdale last Friday evening and conducted a non-commissioned school at the quarters of Company E. The same interest and intelligence displayed at the school Thursday evening among the non-coms of the Scranton companies was manifested in Com-

at the Scranton City Guard armory the second Monday in each month. All non-commissioned officers not having warrants are required to appear before this board for examination. The board meets tonight.

The coming encampment upon the historic battlefield of Gettysburg will be of more than ordinary interest to mem-bers of the Thirteenth. ### THEIR PLACES ARE NECESSARY

That is What They Tell the Court When Called to Give Reasons Why Licenses Should Be Granted to Then-Who the New Applicants Are in Dickson City and Dunmore Borbughs as Heard From.

License court began yesterday morning with Judges Archbald and E1 wards on the bench and all day long these patient jurists listened to the more or less logical and convincing reasons advanced by applicants for new houses or old houses against which objections were filed,

In the First ward of Archbald there are a number of new applicants and all of them averred that their places are essential to the welfare and happiness of their neighbors. A remonstrance was filed against granting a license to A. R. Dunlap, who wants to conduct a restaurant in the First ward of Blakely. Major Everett War-ren represented the objectors and At-torney Joseph O'Brien the petitioners. A number of witnesses were examined on both sides and a variety of reasons given why the license should be granted as well as why it should be

Several witnesses were examined to show reason why the license should be refused. Among those who testified was an aunt of the

applicant's wife. In the first ward of Dickson City the following are applicants for new bouses: George Kolata, Henry Whitall, Joseph Polisky, George Hilwig, John Borke, P. H. Gallagher, John Labotsky, Frank Grabowski, John Monaskie and Patrick Long. All were represented by attorneys who labored industriously to show the court the necessity for granting licenses to these new houses Remonstrances were filed against Kolats, Polisky and Lahotsky, but they were objected to on the ground

the road, from Lachawanna to Main avenue with Belgian block pavement. During the greater part of the year these streets are in a bad condition, Several West Side business men have agreed to subscribe money towards defraying the expense of pavement and they will have an opportunity to do so.

#### SHORT CIRCUITED GENERATOR.

Caused Inconvenience to Patrons of the Street Railway. For a time last evening fears were entertained by many persons who had ousiness in the central city that they

would be compelled to walk to their homes. This was caused by a story that had been put in circulation early in the evening to the effect that the machinery in the power house of the Scranton Traction company was damaged so badly that it would be impossible to operate the system. Such was not the case, and although the usual high standard of the company was not maintained, no one had to walk home. The trouble was in the Providence road power house and was caused by a short circuited generator burning out the brush holders. General Manager Archer was promptly on the scene, superintending repairs, and every-thing will be in working order this

morning. Owing to the accident it was found necessary to reduce the number of cars operating on all the lines last night.
